Hungry Wolf

This is a short story about Hungry Wolf.

Once, a wolf was very hungry. It looked for food here and there. But it couldn't get any. At last it found a loaf of bread and piece of meat in the hole of a tree.

The hungry wolf squeezed into the hole. It ate all the food. It was a woodcutter's lunch. He was on his way back to the tree to have lunch. But he saw there was no food in the hole, instead, a wolf.

On seeing the woodcutter, the wolf tried to get out of the hole. But it couldn't. Its tummy was swollen.

The woodcutter caught the wolf and gave it nice beatings.

Stubborn Goats

Two goats came face to face while crossing a narrow bridge. “Let me pass” said one of them. “Never, you get out of my way” said the other goat. They quarrel each other and lost their balance.

They fell into the stream down below and died! A few days later another two goats came face to face while crossing the same bridge. Both these goats were wise and patient.

They made way for each other to cross the narrow bridge. Both reached their home safely.

Moral: Better bend than break.
