

Dear Parents

We are in the second week of the third term.

We are continuing with the theme “People who help us”. Please practice numbers 1 to 10 and the letters a, b, c, t, m and s.

Our Grade R's are doing amazing work! They have come so far this term. I would like to thank all the parents for all the hard work you continue to do with your children.

Just a reminder that we have started our assessment for Grade 1 this term.

Stay safe and I pray we see each other soon.

# Scratch Art

gift for kids to make

Now you're going to colour your card stock or poster board. Cover your paper with lots of random stripes and blocks of colour. Bend your lines, colour at crazy angles. The more colour you can cram onto your page the better.

When your page is **completely covered in crayon** and there's no white showing through, it's time to give it a coat of paint.

When the crayon is entirely covered with black paint, set it aside to dry.

And now, it's time to scratch your art!
