Date: 4–8 May 2020 **Mrs Tshabangu-Manaka**

Grade 8 English work

Greetings ladies,

This week we'll be analysing the short story, "The Sisters" by Pauline Smith.

Let's *do this*☺!

You will have to complete the worksheet "Analysing a short story". The presentation will have most of the information, but you will have to transfer the information that is in the presentation and fill in whatever information may be missing onto the worksheet. You can copy the worksheet into your book or print and paste it inside your book. Please use your book 2 (the new book).

You will have to answer the questions given to you in the worksheet I have uploaded based on the short story. Do not answer the questions in your *Attitudes* book.

Corrections will follow next week.
