

Good day everyone!

It was great to see you all back at school this week, and for those of you who haven't returned yet, we hope to see you really soon!

In the week 8-12 June, we are doing the following in EMS:

- We sorted through the pack of notes from the lockdown period, and put them in order: notes first, followed by the answers for each week. Right at the end, we put the self-assessment question paper and the memorandum.
- We went through the quiz that I gave last week. I will attach the answers to this document.
- We are then going to start revising Term 1 work by going through the document titled "Summary of term 1".
- Work through all of the above to keep up with what we are doing in class.

Regards,

Ms Hill

Grade 7 EMS
